ORDER:

In the letter read above, the Chief Engineer, Krishna Delta System, Vijayawada has requested the Government to issue NOC for construction of the high level Bridge across Bandar Canal at Pitchaiah Street, Vijayawada to the Commissioner, APCRDA, Vijayawada.

2. After careful examination of matter, Government, hereby convey "No Objection Certificate" to the Commissioner, Andhra Pradesh Capital Region Development Authority, Vijayawada, for construction of the High Level Bridge across Bandar Canal at Pitchaiah Street, Vijayawada with the following condition.

i. The works should be commenced as per the directions of the department after approval of the design and the work should be carried out under supervision of the department only.
ii. The Hydraulic particulars of the canal should not be effected due to the construction of the structure.
iii. There should not be any obstructions to the canal prism after letting out water into the canal for Irrigation.
iv. The work should be carried out only in the canal closure period and should be completed within time schedule fixed by the department.
v. Road level shall be proposed above TBL in general, keeping in view the minimum vertical clearance as per standard codes.
vi. The navigation requirements should be strictly followed as per the existing rules and acts.. the bridge would be dismantled and reconstructed with the own cost of APCRDA if necessary as the Bandar Canal is included in National Water Ways.
vii. The protection works on U/s and D/s of the Bridge should be carried out with their own expenses.
viii. Maintenance of the Bridge and any damages occurred shall be carried out by APCRDA at their own cost.
ix. The Banks of the canal should not be disturbed as far as possible and no damage should be caused to the adjacent existing Irrigation structure.

x. The Bridge shall only be utilized for the purpose requested and should not be utilized for the proposed other than permitted.
xi. The permission now issued is purely temporary and liable for cancellation at any part of time without notice.
xii. The Water Resources Department bears no responsibility for the approaches of the bridge. The approaches to the Bridge shall have to be formed and borne by the APCRDA in any manner.
xiii. Encroachments if any on the Banks hindering the construction shall have to be removed by the APCRDA at their own costs and the Department bears no responsibility.

3. The Chief Engineer, Krishna Delta System, Vijayawada shall take necessary further action in the matter.
